

Frequently Asked Questions

What Is Addiction?

Addiction is a chronic, relapsing disorder characterized by compulsive drug, alcohol, or process seeking and use despite harmful consequences. It is considered a brain disorder because it involves changes in the structure and function of the brain. Addiction affects neurotransmission and interactions within reward structures of the brain.

What Services Does Evoke Wellness Offer?

There are Evoke Wellness locations in South Florida, Massachusetts, and Ohio. Each location's services vary and may include medical detoxification, residential treatment programs, partial hospitalization programs (PHP), intensive outpatient programs (IOP), aftercare planning, family therapy, individual counseling, group therapy sessions, relapse prevention education, and more. We also provide mental health services such as cognitive-behavioral therapy (CBT) and dialectical behavior therapy (DBT).

How Do I Know Which Program Is Right for Me or My Loved One?

Our team of experienced professionals will conduct a comprehensive assessment to determine the most appropriate level of care for each individual. Factors considered include the severity and duration of the addiction, co-occurring mental health disorders, and the individual's support system.

Does Evoke Wellness Accept Insurance?

Yes. We accept most major health insurance plans. Our admissions team will work with you to determine if your policy covers treatment at one of our centers.

What Should I Expect When Enrolling in a Program?

When enrolling in an Evoke Wellness program, you can expect to receive personalized care from experienced professionals who are dedicated to helping you or your loved one achieve long-term recovery. During your stay at one of our centers, you will have access to evidence-based therapies such as CBT and DBT as well as holistic treatments like yoga and meditation. You will also receive individualized aftercare planning to help ensure that you have the necessary resources for continued success once you leave the center.

How Long Does the Treatment Process Typically Last?

The duration of treatment varies depending on the individual's needs and progress. Some may require a short-term stay in a detox center, while others might need more intensive, long-term care. Treatment plans are personalized and regularly reviewed to ensure that each individual receives the appropriate level of support for their unique situation.

What Kind of Aftercare Support Does Evoke Wellness Offer?

We committed to providing ongoing support to individuals and their families even after the completion of a treatment program. Our aftercare services include alumni programs, support groups, and access to resources that can help individuals maintain their recovery and continue their journey toward a healthier, happier life.

How Much Does Treatment Cost?

The cost of treatment varies depending on the type of treatment needed and whether or not your insurance is accepted. If your insurance is accepted, then costs may be covered under your policy; however, if insurance is not accepted, then we can work with you to find determine how to access the treatment you need.

What If I Need Something Evoke Wellness Does Not Offer?

If there is something that Evoke Wellness does not offer then we will refer you to another provider who can provide the necessary services for your recovery journey. We are committed to providing comprehensive care that meets all of your needs so we will do whatever we can to ensure that you get the help that you need.
